## DAV's Mission Statement:

We are dedicated to a single purpose: empowering veterans to lead high-quality lives with respect and dignity. We accomplish this by ensuring that veterans and their families can access the full range of benefits available to them; fighting for the interests of America's injured heroes on Capitol Hill; and educating the public about the great sacrifices and needs of veterans transitioning back to civilian life.

## DAV Chapter 32

Provides services to the men and women & their families who are disabled from serving their country in seven counties in Southern Minnesota. This chapter not only works with the veterans, but also local youth, schools and other organizations to bring awareness to community involvement through such activities as the DAV clothing drives so each can learn to work together as a team and increase community service while growing and learning alongside these service, dedicated and patriotic individuals by showing leadership and respect for the country in which they served.

## Our Hope
