Veterans Day on the Hill 2024 (VDOTH 24)

April 17th, 2024

Greetings all;

In this packet you will find several items to provide you with further information on VDOTH 24 and ways you can get involved. This rally is a critical phase in the legislative process, it is a way to demonstrate our strength as Veterans, families, and supporters of Veterans. Our goal is to implement meaningful change, through the legislative process, to benefit our Veterans, their families, and survivors.

I know the legislative process can be frustrating, confusing, and hard to follow. I also know it is extremely important. Every benefit, state or federal, our Veterans and survivors now have started as piece of legislation that needed to navigate this process. Please know I am resource for you, whether a DAV member or not, a Veteran or not, if I can be of service please reach out.

I also know many of you may hear discouraging words from people as you talk about being active, lobbying for Veterans, organizing for Veterans Day on the Hill. I feel sorry for those people who will discourage others who are trying to make a difference for our Veterans, their families and survivors. They have lost sight of all of the good your advocacy, and others like you, have done.

Federally the largest piece of Veterans legislation ever was passed in the Pact Act, even though people would like us to believe our system is broken. At the state level, surviving spouses are staying in their homes, 3 new Veterans homes are opening around the state, the first and second ever Veterans Omnibus Bills passed changing the future of Veterans legislation in Minnesota, increases in funding to prevent Veterans suicide, end Veterans homelessness, and on, and on, and on.

Together we made these changes happen. Together we can continue to improve the lives of our Veterans, their families, and those they leave behind.

Please take a look at the included information and consider participating in this process and getting as many as possible to Veterans Day on the Hill 2024.

Regards,

Trent C Dilks, Legislative Director

How do you find out who your State Representative or State Senator is and how do you contact them?

- Enter your home address here: <https://www.gis.lcc.mn.gov/iMaps/districts/>
 - This will tell you your State Representative, State Senator, etc.. and their phone numbers.
- You can also call 651-296-2146 or 1-800-657-3550, ask who represents you, give them your address, and get their numbers to give them a call.

When you reach their assistant what should you do?

- Inform them you, and if you know of others from their area, will be at the Capitol for Veterans Day on the Hill 2024 on April 17th.
- Invite them to either stop over at the armory, or ask for a time between when you plan to arrive and 1pm march to the rally to meet in their office.
- Let them know there will be a DAV minibus running all morning from the House, Senate, and armory to catch a quick ride over if they'd like.
- If you have time, highlight some of the topics important to you like; property tax value exclusion, hunting and fishing license for Veterans, education for dependents, etc..

Just before Veterans Day on the Hill 24 touch base to confirm how many are coming, verify a meeting, or get details on meeting up in the armory.

The meetings with your Representative and/or Senator are one of the most important parts of Veterans Day on the Hill. This is your chance to hear directly from your lawmakers, ask questions about actual support, and get commitments of support as session nears the end. If you have any questions, or need help setting up your meeting please reach out to Trent@davmn.org

MinnFluence- Serving Minnesota's Veterans

I am thrilled to share with you all MinnFluence, and a little bit about how this can, and already has, changed the landscape of Minnesota's legislative landscape for Veterans, their families, and survivors.

What it is-

MinnFluence is a tool to help connect Veterans and their supporters, directly with their lawmakers at the State level when important action needs to be taken. It is a local alert network that the DAV MN can use, to let you know when your lawmaker is needed to move forward legislation, when votes happen it can update you on how your lawmaker voted, and can keep you informed better throughout the legislative process.

How it works-

When a new MinnFluencer signs up it will ask for address, email, phone, etc.. With that information it will fill in who your State Rep. and State Senator are and what committees they are on, any leadership positions, etc.. With this information the Department's Legislative Director can track key legislation, and when your Rep. or Senator are needed to support something, get a hearing, or could hold a key vote, it allows the DAV MN to reach out to you specifically to take action.

What you need to know-

The next page will have the flyer with QR Code or you can find registration at www.minnfluence.org This is not a SPAM generating tool, everything sent out has to be created by the Dept. Legislative Director. Your information will never be shared, sold, or used for anything but to alert for legislative issues. **You do not need to be a Veteran to sign up. All are welcome.**

The MinnFluence Network was already instrumental in the passage of the first ever Veterans Omnibus Bill in Minnesota, and if we work together to build a larger network our power will only grow.

- **Get informed on the issues and stay up to date on progress.**

- **Stay focused.**
 - There is a lot, lot of partisan activity every year in St. Paul. While passions in other areas may be strong, remember we are here for a single purpose. Veterans.

Additional Information, Resources, and Strategies (Cont.)

- **Avoid Partisanship.**
 - As a VSO we are non-partisan and do not participate in partisanship, political endorsements, or petty partisan battles.
 - As you serve as a Veteran Advocate, I encourage you to take the same approach in your veteran advocacy.
- **Hold your elected representatives accountable.**
 - We have witnessed instances where the rhetoric doesn't match the actions of our elected official. They may campaign on, "I support our Veterans" but when it comes time to include Veteran specific legislation they are nowhere to be found.
- **Organize, organize, and organize.**
 - Whether you are in DAV, AL, VFW, or no VSO take an active role to find interested Veterans and supporters in your area and get them involved.
 - If your Chapter or Post doesn't currently have an active BPTL or Legislative Chair, get one.
 - If you aren't getting the information you need from the state level VSO's let us know and offer specific suggestions or assistance.
- **Don't get discouraged.**
 - We have had successes over the past several years and despite the rhetoric, work is getting done.
 - Don't let those who aren't involved discourage you from taking action for our Veterans.
